

The Angels from the Attic are having so much fun decorating a pumpkin to spread Halloween cheer. Like you, kids at The Home for Little Wanderers will also be painting pumpkins and dressing up for Halloween this Fall!

What is YOUR favorite thing about Halloween?

FUNdraising Ideas for Kids!

There are many ways for kids to help children in The Home's care. You can do some of these things on your own, or get your friends, classmates or sports team involved. Below are some ideas, but feel free to use your imagination...

Make Your Birthday More Meaningful

Ask your birthday party guests to make a donation to The Home or bring a present or gift card to donate to a child in our care in place of giving a gift to you.

Celebrate Special Milestones

Invite your family and friends to make a donation to The Home in celebration of your Bar Mitzvah/Bat Mizvah, graduation, or some other special occasion.

Pay it Forward with Chores

Babysit, mow lawns, shovel snow, pet-sit, you name it-- and donate a portion or all of your earnings to The Home.

Set up Shop

Coordinate a Bake Sale or Lemonade Stand at a sporting event, concert, or in your neighborhood and make a big sign to let people know the money raised will benefit The Home. Car washes and yard sales are also a great way to raise money. Or if you're crafty, make something like jewelry that you can sell.
